Continuation of Substance of Interview including description of the general nature of what was discussed: Informed Applicants' Representative that the after final amendment filed 5/2/06 has been received and that the claims as proposed will be reconsidered on the merits and an updated search will be conducted to determine whether the claim language as newly presented is free of the prior art, and in accordance with the prior official discussion with the Representative, myself and the Primary, allowable subject matter may be presented after final. However, more searching is needed to determine whether the claims as presented are free of the cited prior art. Applicants' Representative did point out that the claims have been changed or simplified so that they do not read on an aqueous form and that they did not include the term dry or dried because there is some humidity present with the described disclosure.
